

READY TO KICKSTART YOUR TECH CAREER? IT'S NOT TOO LATE TO APPLY!

Find out below how to secure your space at Ada, the National College for Digital Skills for a September 2026 start!

Ada is a specialist Computing College, based in Ancoats, offering the T Level Digital Software Development. We don't just teach theory from textbooks; we connect our learners directly with the Greater Manchester Tech sector so they can see how their skills work in the real world.

THE QUALIFICATION:

T Level Digital Software Development

- A practical, hands-on 2-year Level 3 qualification.
- Equivalent to 3 A-Levels (worth up to 168 UCAS points!).
- Your direct pathway to a great university, elite apprenticeships, or straight into an amazing career in tech

WHAT WE OFFER:

A FREE Laptop: Yours to use for your studies from day one.

Work with Industry: A guaranteed 45-day placement as part of your T Level course.

Your Own Tech Mentor: Get real-world advice from a professional currently working in the tech industry.

Pro Certifications: Earn official, industry-recognised certifications alongside your main studies.

Zero Barriers: Free trips, plus financial support and travel bursaries available to those who need them.

IS THIS FOR YOU?

T LEVEL STUDENT JOURNEY

Leo Bytyci

Completed 45-day T Level placement,
organised by Ada, with:

I chose Ada as a college because it gives me a lot more opportunities than other colleges would give me. I get a lot more insight into the industry and get more chances to speak with partners such as Google & Bank of America.

PLACEMENT SPOTLIGHT

Leo describes his time in Amazon's Application Security (AppSec) team as the 'biggest period of growth' in his life. Embracing the fast-paced, high-expectations culture, he transformed pressure into professional resilience. Supported by approachable mentors, he proved that T Levels provide the perfect environment to build confidence and launch a corporate career.
