

# Ada London Victoria

ADA, THE NATIONAL COLLEGE FOR DIGITAL SKILLS

We are located at 1 Sutherland St, Pimlico, London SW1V 4LD.  
Victoria station is 10 minutes walk away.

Spread over six floors, we have a state of the art lecture theatre,  
27 tech enabled meeting or training spaces, break out zones, as  
well as a sports hall and roof terrace.

Our building is populated with students and learners during  
weekdays in term-time, but we are keen to invite our partners  
and trusted friends to use our space.

The availability of our spaces is primarily driven by when our  
classrooms and spaces are used for learning, assemblies and  
enrichment activities for our sixth form and Apprenticeship  
students.

During term time, we are able to accommodate external visitors  
in our ground floor spaces which consist of our boardroom, 4  
classrooms and the lecture theatre space.

We have a variety of meeting rooms, classrooms and large spaces available for use.

These include our Boardroom, which seats 14, and a number of meeting rooms and classrooms, which can seat between 20 - 50.

On the 5th floor which leads to our rooftop terrace, there is the largest of our classrooms. This floor also houses a dedicated kitchen space and open-plan social space.

We are primarily a college, and a charity, and as such do not have a dedicated team of events managers.

However, we will work hard to understand your requirements and provide the best possible experience for you and your team or guests.

We will provide you with a central point of contact for your time with us and will ensure that you have everything you need.

We have 2 lifts within the building and our building is fully wheelchair accessible.

We have one parking space that can be used for blue badge holders.

We can connect you with various local caterers, who have a variety of packages which you can order directly for your booking.

# Roof Terrace

The rooftop can hold 50 people standing.

It has a wonderful view of Battersea Power Station, Pimlico and the central London skyline, including Big Ben and the London Eye.

# Sports Hall

Our sports hall has seating which can be pulled out in theatre style and which seats 250, or the bleachers can be put away and cabaret style seating can be set out to seat 100. The hall is equipped with a large screen and we can also provide microphones.

We have hosted large scale receptions, fairs with stands, and away days for organisations who have chosen to combine the use of the hall with other breakout spaces on the same floor, and the use of the roof terrace for end-of-the-day celebrations.

# Lecture Theatre

Our lecture theatre seats 120 people and can be enabled with presenting technology so that participants can join virtually.
